

BEYOND GUARDIAN AIR

ActivePure®
TECHNOLOGY in partnership with Water Solutions
Long Island

The only air purifier on the market that uses an exclusive combination of technologies, including ion generation, a sealed better-than-HEPA filter, and Photocatalytic Oxidation without proprietary ActivePure® Technology, which is university tested and proven effective against bacteria, viruses, mold and fungi in the air and on surfaces.

Benefits

- Eliminates common triggers of allergies, asthma, and irritants to those with sensitive immune systems
- Portable, no installation required
- Destroys VOCs, smoke and odors without ozone
- ActivePure is the only air purification technology recognized exclusively, worldwide, as Certified Space Technology.
- 5-year limited warranty available (terms & conditions apply)
- Operates 24/7
- Inactivates and eliminates viruses and bacteria in the air and on surfaces.
- Meets CDC, FDA, and EPA guidelines for helping to lower the spread of COVID-19

How it Works

- Uses ActivePure® Technology to create pristine air quality and attack contaminants on surfaces
- Ten unique features include technologies to capture 99.97% of particles as small as 0.1 micron

Unique Features

- Energy Star Certified
- 16.5 cm (6.5") UV bulb
- Coverage up to 93 m² (up to 1,000 sq. ft.)
- Whisper-silent operation
- Certified Space Technology, as used by NASA on the International Space Station

Target Customer

- Perfect for homeowners and businesses that want ultimate indoor air quality protection
- Medical facilities, nursing homes, schools or any facility with indoor air quality concerns
- People who need a better night's sleep

Specifications

Power Consumption	23 to 80 Watts
Recommended Treatment Space	Up to 1,000 sq. ft., 93 m ²
Input Voltage	120 VAC 60Hz
Nominal Airflow Rate	<ul style="list-style-type: none">• Speed 1: 75 CFM130 m3/h• Speed 2: 95 CFM160 m3/h• Speed 3: 150 CFM250 m3/h• Speed 4: 240 CFM410 m3/h
Dimensions	23" H x 20"W x 11"D (590mm x 500mm x 275mm)
Weight	34 lbs (15.5 kg)
Operating Temperature	-25° F – 130° F
Warranty	Limited 5 year

Meets California ozone emissions limit. CARB Certified. UL 2998
